(If possible, please type your proposal.)

In your proposal, please include brief answers to ALL the following questions. One or two pages will be sufficient (in total, not per question).

- Describe your proposed project. What do you want to accomplish? How will this project help improve the situation in your classroom? Who will benefit and how many?
- Is this a new project or a continuation/expansion of a previous project? Can this project be replicated in other classrooms and other schools?
- How will you determine whether your project was successful? How will you measure the results?
- Please give us an itemized project budget of anticipated costs. If your project costs more than \$250, where will other funding come from?

Note:

- Applicants may only submit one project for consideration.
- Applications from multiple teachers for the same project will be funded at a maximum of \$500 for the project.

Please mail your completed application to:
